Headrest

CODE Please refer to product

Our 3 shower stretcher products can all be enhanced with the optional integral vinyl headrest. The headrest must be ordered at the same time the stretcher is ordered and cannot be fitted retrospectively. Our frames have been designed with the ability to have the headrest at each end of the stretcher (please specify which end, at point of order). The headrest features a paddle lift adjustment, which allows it to be locked securely in the desired position.

Safety guard

CODE ECSG01

Enhance the safety of any of the 3 shower stretcher products with the safety guard accessory. The safety guard must be ordered at the same time the stretcher is ordered and cannot be fitted retrospectively. The safety guard locks securely into position and provides extra support whilst the user is on the stretcher. Please note that the safety guard does not stow away (as per the Mobi changer). The safety guard is one size in length (1400mm).

Angled back

CODE BE002 (size 1), BE003 (size 2) and BE004 (size 3)

The angled back is only available for the powder coated Mobi changer and must be requested when placing an order, as it cannot be fitted retrospectively. The angled back support option enables a carer to find the ideal supportive angle for the user, making changing or showering more comfortable.
